### **GENE BAILEY HAS BEEN APPOINTED BY THE TENNESSEE CHAMBER OF COMMERCE TO SERVE ON THE 2009 ENVIRONMENT COMMITTEE**

**Memphis, Tenn. - January 5, 2009** - Richard Holland, Chairman of The Tennessee Chamber of Commerce and Industry (TCCI) Environment Committee, appointed Gene Bailey, Environmental Principal with Fisher and Arnold, to serve on the Environment Committee December 17, 2008. The TCCI decided that the Environment Committee should be re-established and become an active group in 2009.

As appointed consulting member, Bailey will participate in the development of TCCI Environmental Policy, the review of environmental-related legislation and TDEC budget issues, the review of Environment sub-committee actions and planning for the TCCI Annual Environmental Conference.

Bailey will accompany fellow consulting, legal and industrial appointees throughout the state for the first Committee meeting on February 24. The meeting will be held in conjunction with the TCCI annual member meeting.

The Tennessee Chamber of Commerce & Industry is the state chamber of commerce and the state manufacturers' association. The Chamber promotes and protects the state's business climate through a wide variety of efforts. The Chamber is involved in federal and state legislation and regulations, human resources, taxation, the environment, health care and other issues that affect the state's business community.

The Chamber's membership represents more than 1,000 members across Tennessee from all facets of business and industry.

As a Registered Professional Engineer in the state of TN, Bailey brings a 17-year environmental consulting practice in the areas of Brownfields, underground storage tanks and environmental liability management.
