

Magnolia Preserve Planned Development Collierville, Tennessee

FISHER ARNOLD

PROJECT EXPERIENCE

Magnolia Preserve is a 38-acre residential development located in the southeast portion of the Town of Collierville. The average size lots within Magnolia Preserve are 15,000 s.f. Fisher Arnold prepared the site amenity package for this development. These amenities include walking trails, playground, pool and pool house, arbors, detailed streetscape, and landscape buffers. Additionally, Fisher Arnold assisted in and provided support for the required governmental approvals.
