

DRIVEN BY DETAILS?

Environmental Industrial Project Manager - Nashville, TN Full-Time - Salary Commensurate with Experience

Are you looking for a work environment driven by clarity of duties and tasks? Do you enjoy focusing on producing high quality, detailed work in a precise, consistent manner, one task at a time? If you answered "Yes!" to the questions above, you may be exactly what we have been looking for!

We are searching for an Environmental Industrial Project Manager for our Nashville, TN office to support our Environmental Department. You will have the necessary communication and environmental writing skills, along with the enthusiasm to manage complex projects and demanding schedules. Independent and precise, you enjoy detail-oriented tasks that focus on utilizing your high-quality, technical expertise as a specialist in your field. If you are looking to join a firm with a culture of getting know our people, and a history of success, where you will be able to build close, lasting relationships, we may be a perfect fit. Some travel is required to visit sites and perform project work, as well as to other company offices when needed.

Headquartered in Memphis Tennessee, we are a leading multi-disciplined firm that includes engineers, architects, planners, landscape architects, environmental scientists, surveyors, engineering technicians, CADD technicians, and construction observers. We have a solid reputation providing services to a diverse list of public and private clients, with branch offices in Chattanooga, Knoxville and Nashville, TN, Houston, TX, Indianapolis, IN, Jonesboro, AR, and Chipley, FL.

Fisher Arnold is an Equal Opportunity Employer and we require all our new team members to work in a drug free environment and submit to an initial screening and background security check.

Benefits: We offer a competitive benefits package including:

- 401(k) with Company Match
- Health, Dental & Vision Insurance
- 160 Hours Annual Paid Time Off
- 9 Annual Paid Holidays
- Flexible Work Week
- Employee Assistance Programs
- Flexible Spending Account
- Life insurance

Essential Duties and Responsibilities: as a professional with a combination of technical, managerial, and customer service skills, you will perform duties including:

- Coordinate and complete industrial environmental and compliance projects
- Industrial Air Permitting and Compliance
- Industrial Annual Waste Reporting and Client Support
- Project Documentation and Technical Report Writing
- Industrial Hygiene
- Stormwater and SPCC Projects

Qualification and Experience Requirements:

- Minimum of three (3) years of environmental consulting industry work experience
- Current 40 Hour HAZWOPER with up-to-date 8-hour refresher preferred
- Strong people skills including the ability to build good working relationships with clients, consultants, contractors, etc.

The Physical Demands and Work Environment of an Environmental Industrial Project Manager are challenging and dynamic. For more information please see the next page of this description.

HOW TO APPLY:

Send your cover letter and resume in PDF format to careers@fisherarnold.com with "Environmental Industrial Project Manager Nashville" as the Subject Line. Cover letters will be evaluated as a writing sample and should include salary requirements. All correspondence regarding your application should be transmitted via email; no phone calls please. We look forward to hearing from you!
