

EIT CIVIL ENGINEER

Chipley, FL

Full-Time - Competitive Salary Based on Experience

Fisher Arnold is seeking a team-oriented EIT Civil Engineer to work on transportation projects in our Chipley, FL office. The ideal candidate will assist with design and plans production tasks related to transportation projects.

Headquartered in Memphis Tennessee, we are a leading multi-disciplined firm that includes engineers, architects, planners, landscape architects, environmental scientists, surveyors, engineering technicians, CADD technicians, and construction inspectors. We have a solid reputation providing services to a diverse list of public and private clients. Headquartered in Memphis, Tennessee, we have branch offices in Chattanooga, Knoxville and Nashville, TN, Houston, TX, Indianapolis, IN, Jonesboro, AR, and Chipley and Tallahassee, FL.

Fisher Arnold is an Equal Opportunity Employer and we require all our new team members to work in a drug free environment and submit to an initial screening.

Benefits: We offer a competitive benefits package including:

- 401(k) with Company Match
- Health, Dental & Vision Insurance
- 160 Hours Annual Paid Time Off
- 9 Annual Paid Holidays
- Flexible Work Week (Half-Days Fridays)
- Employee Assistance Programs
- Flexible Spending Account
- Life insurance

Essential Duties and Responsibilities:

- Under close supervision and following specific instructions, performs basic duties in support of the project engineers and managers.
- Independently perform engineering assignments with clear and specified objectives.
- Perform Engineering Calculations.
- Assist engineers in making updates to drawings and plans in CAD software.
- May be assigned to complete special projects.
- Work with Project Manager in obtaining approvals from municipalities and agencies.
- Other duties as assigned.

Qualification and Experience Requirements:

- Bachelor's degree in Civil Engineering from an ABET accredited university
- 0-4 years of experience preferred
- Passed Fundamentals Exam (FE) or the ability to achieve certification.
- Knowledge of CAD (MicroStation and OpenRoads design programs preferred).
- Strong oral and written communications skills.
- Ability to work in a fast-paced environment.
- Microsoft Office (emphasis on Excel and Word).
- Strong attention to detail

HOW TO APPLY:

Send your resume in PDF format to careers@fisherarnold.com with "EIT Civil Engineer Chipley" as the Subject Line. All correspondence regarding your application should be transmitted via email; no phone calls please. We look forward to hearing from you!
